

On April 11, 2014, the Lovers of Valdarò were put on permanent display at Mantua's National Archaeological Museum (Pinardi 2014). The skeletons, which reside inside a shatterproof glass case, remain embedded within their original block matrix.<sup>15</sup> They are quite popular among visitors. To further realize the museum's educational mission, a comic book of the Lovers' romantic adventures, *Amanti a Mantova*, will be distributed in Italian schools.<sup>16</sup> Nothing in the exhibit's text or the comic book discusses Individual B's probable maleness. This small though crucial piece of information has been edited out of popular and educational accounts. Nor
